

Delaware Hayes Band

Weekly Update

Feb 26, 2023

What a great week we had! On Thursday we had Peter Steiner, an international trombonist come and perform for our students. It was absolutely amazing to see and hear him play and talk about being a professional touring musician. Then on Friday we were lucky enough to have Dr. Edwards from OWU come and work/listen to our groups as we prepare for OMEA Large Group. Looking ahead to this week, we have our District Large Group performance on Friday evening and then Spongebob the Musical opening next week!
