OMEA Large Group Contest 2023

General Information

Large Group Contest an adjudicated event for concert bands. Both Concert and Symphonic Band prepare three pieces of music to perform for four judges. Three will assess the stage performance and one will assess a sight reading piece. This is a piece that they have never seen before and will play only one time! **This performance is free and all parents/families are encouraged to attend!** However, photos, video, or audio recording during the performance is strictly prohibited and will result in our disqualification.
