### Jazz Band/Combo

Congratulations on a wonderful performance on Saturday. I felt that you all played extremely well and it was a great evening! We're working on getting video from the event to share! I'll let you know once that happens.

We will not be having Jazz/Combo the rest of the year. If you were using a school owned instrument for Jazz, please return it to me this week.

### Marching Band Schedule/Parent Meeting & Show Reveal

## Uniforms/Equipment

If you have either your Marching/Concert Uniform still at home, please turn those in this week. We will be compiling a list of those still needing to do that.

We will also be collecting all school owned instruments Monday May 22. If a student would like to take home an instrument over the summer, they will need to check out the instrument again. This is to hopefully keep better track of instruments throughout the year.

## Disney Registration/Deposit

The registration period for Disney has closed. If you still are interested in the trip and have not yet registered, please let me know ASAP! There is currently a waitlist for the trip.

The first payment(deposit) is due this Friday May 19. Please make sure to keep up to date with payments.

We will be tallying all the donations from the Virtual Week of Giving. Once we have that, we will let you know what can be added toward your account. Cadence Club will then apply that money towards your account. This will not be ready for the deposit.

## Graduation Performance

Both Symphonic/Concert Bands will be performing at Graduation again this year. Please keep the evening of May 19 available, as this will be your final grade for the year! There will be a rain date for Saturday if needed.

When: Report time is 6:15p. Parking will be an issue. Please plan to be dropped off or park at the fairgrounds and walk over.

Concert Dress: Please wear dress clothes. You do not need to wear your concert attire. No Jeans, holes in pants, dress/skirts must be to the knee, No thin straps.
